

The image is a composite. The top right portion shows Iron Man in his iconic gold and red armor, with his chest glowing and eyes lit. He is positioned in front of a movie screen that displays a fiery action scene with a jet flying through the air. The bottom portion of the image shows the back of a large audience of people sitting in red theater seats, looking towards the screen. The overall lighting is dark, typical of a cinema.

CINEMA – A FORCE TO RECKON WITH
